Drink

All I see is I'm much good for me So much riches I'm much rich for me

Why can't they see? There's no use thinking And all it leads to Is just more drinking Oh oh oh

I think I'm thinking Not much left to do All those moments They're still all on you

Why can't they see? There's no use thinking And all it leads to Is just more drinking Oh oh oh Chikinki
