

Scissors Paper Stone

Chikinki

Give me another wish that I could kill too soon
Give me another wish that I could call my own
Give me another wish that I could kill too soon
Give me another wish that I could call my own

I'm playing scissors paper stone with all I own
I'm playing scissors paper stone with all I know
I'm playing scissors paper stone with all I own
I'm playing scissors paper stone with all I know all I know

Well tell me what I've got to lose
And about your all friends and all to do
But it all remains the same
I'm still playing the same fuc..ng game

I should be trying to make amends
seeking forgiveness from all my friends
But there's something I've got to do
And I'll say nothing till I've seen it through

I'm playing scissors paper stone with all I own
I'm playing scissors paper stone with all I know
I'm playing scissors paper stone with all I own
I'm playing scissors paper stone with all I know all I know

Give me another wish that I could kill too soon
Give me another wish that I could call my own

I'm playing scissors paper stone with all I own
I'm playing scissors paper stone with all I know
I'm playing scissors paper stone with all I own
I'm playing scissors paper stone with all I know all I know

Hey hey hey
Can't you see the position I'm in?
When all I do turns out to be a sin
You tell me what I've got to do?
It's no use I'm gonna lose

I should be trying to make amends
Seeking forgiveness with all my friends
But there's something I've got to do
And I'll see nothing till I see it through

I'm playing scissors paper stone with all I own
I'm playing scissors paper stone with all I know
I'm playing scissors paper stone with all I own
I'm playing scissors paper stone with all I know all I know
