

To Sacrifice A Child

Chikinki

You spout out what they said to sacrifice a child
And smelt their burning heads to sacrifice a child
And I can see the tears, a queue and men and senses
And I can hear the screams

You have their weeping hearts to sacrifice a child
When you spot your virgin bed to sacrifice a child
And I can feel your dreams of losing your innocence
And I can hear the screams

Ah you want to hit the wall
You wanna climb the wall

I don't want to know anymore
I don't want to know anymore

They sowed what you may reap to sacrifice a child
When you cried yourself to sleep to sacrifice a child
And I can hear the screams
Yes I can hear the screams

I don't want to know anymore
I don't want to know anymore
