

## Freaks And Geeks

Childish Gambino

Alright, Gambino is a mastermind, fuck a bitch to pass the  
time  
Mass Appeal, orange rind, smoke your green, I'm spendin'  
mine  
The beat is witches brew, but beware this shit is potent  
E. e. cummin' on her face, now that's poetry in motion  
Yeah, Gambino make it work, I'm the boss move somethin'  
Yeah, this cool fuckin' suits me, swag two button  
Yeah, these girls be actin' crazy when they're dancin', Black  
Swan  
I ain't fuckin' at the club, put your clothes back on  
This beat is a disaster, 9/11 this track  
Rappers wanna battle me, I have to mail their heads back  
And my clique make that dinero, so it's time to meet the  
fuckers  
I am runnin' this bitch, you are just a dog walker  
Leavin' with your girl when we last seen each other  
You fuckin' with the baddest like we tag team Rihanna  
Fly girl on her knees, she don't wanna come near me  
My dick is too big, there's a big bang theory  
Got her picture in my iPhone, what do y'all think?  
While y'all niggas masturbate, I'm in that Ariel Pink  
If I am just a rapper man, you coulda fooled me  
I'm the shit, when these dudes talk, they talkin' bull me

Alright, I'm down with the black girls of every single culture  
Filipino, Armenian girls on my sofa  
Yeah I like the white girls, sometimes we get together  
Need a thick chick though, so it's black and yellow, black  
and yellow  
Love is a trip, but fuckin' is a sport  
Are there Asian girls here? Minority Report

Put your team on the map, Blake Griffin on the court  
Niggas bitin' off my tracks, need a knife and a fork  
We the illest, need a nurse, here's the cheque, grab your  
purse  
Unless we fuckin', then I'll pay for all the food on the Earth,  
man  
I got some pussy that was insane. So insane it's an enemy  
of batman, I'm dominant, niggas call me faggot cause they  
closeted, I'm hot as shit, comin' outta the backside of a  
rocket ship  
It's Monster shit, you dude's are the opposite of Lochnesses  
Respond to this, we can squash the beef right now like  
sausages  
Chillin' with my n-words, say it like a white kid  
Yes your booty's big as hers, say that to my white bitch  
So she don't get embarrassed, my dick is made of carrots  
Bunnies wantin' to be fed and I meant honeys, oh forget it  
I have worked all winter, I will not fail summer  
In the back of the bush, like Gavin Rossdale's drummer  
Yeah, my stinger's in her flower, I hope she lets me  
pollenate  
Workin' hard as shit, yeah this beat is made from  
concentrate  
Nigga can't you tell that my sample of Adele

Was so hot, I got these hood niggas blowin' up my cell?  
Swag out the ass, I'm the man, fuck chico  
Took the G out your waffle, all you got left is your ego  
Think about it for a second, man we eatin', where's your  
breakfast?  
Man, you hungry have this sandwich, got my wallet, cheese  
and lettuce  
An elephant never forgets, so my dick remembers  
everything  
Green inside your wallet is that pussy open sesame  
Runnin' the game, fuck am I sayin', runnin' the Earth, give  
me a month  
Told all you niggas I'm in it to win it cause havin' an Emmy  
just wasn't enough  
You get sloppy drunk, I stay whiskey neat  
My clique should be cancelled, Freaks and Geeks
