

# Heartbeat

Childish Gambino

I wanted you to know, that I am ready to go  
Heartbeat, my heartbeat  
I wanted you to know, whenever you are around  
Can't speak, I can't speak

I know what your boy like  
Skinny tie and a cuff tight  
He go and make breakfast  
You walk around naked  
I might just text you  
Turn your phone over  
When it's all over, no settling down  
My text go to your screen, you know better than that  
I come around when you least expect me  
I'm sittin at the bar when your glass is empty  
You thinkin that the song's coming on to tempt me  
I need to be alone like the way you left me  
You start callin, you start cryin  
I come over, I'm inside you  
I can't find you; the girl that I once had  
But the sex that we have isn't half bad  
The text say that "It's not fair"  
That's code for "He's not here"  
And I'ma flirt with this new girl  
And I'ma call if it don't work  
So we fuck 'til it come to conclusions  
All the things that we thought we was losing  
I'm ghost and you know this  
That's why we broke up in the first place; cause

Hab dir ein Schloss gebaut aus Luft  
Zwischen Wodkarausuch und Clubs  
Es ist Schrott gehauen nach so vielen Versprechen  
Mit diesen zwei Händen  
Steh nicht mal auf eigenen Beinen, doch auf den Gästelisten der Stadt  
Habe Tag und Nacht was zu feiern, doch weiß beim besten Willen nicht was  
Zerspreng die Panzerketten  
Bestell die Tanztabletten  
Streu so viel Zucker in die Wunden bis das Salz nicht mehr brennt  
Hab einen großen Palast  
Dir so nobel vermacht  
Und dann in eisiger Nacht  
Aus eigener Kraft in den Boden gestampft  
Wache steht's in fremden Betten auf  
Such den Weg ins fremde Treppenhaus  
Setz ein eklig fremdes Lächeln auf  
Und geh dann mit den ewig selben Sätzen raus  
Du rufst an und ich mach das Handy aus  
Und ich weiß wie es dich zerreit  
Und na klar vermiss ich dein Lächeln auch  
Doch am meisten vermiss ich meins  
Damit du weißt

It's late night Thursday  
I know that you heard me  
But you don't want the same thing  
Well two can play that game

So I'm chillin with my girlfriend  
But she not my real girlfriend  
She got a key to my place but  
she's not my real girlfriend  
Stupid, so dummy  
Say the wrong thing and wrong girls come runnin  
I'm paranoid that these girls want somethin from me  
And it's hard to make a dime go one hundred  
And my dude freakin out over a worse fate  
She on time, but she late for they first date  
Cause he went and tried out all new condoms  
Slipped off in a threesome, good problems?  
Right? Wrong; askin him if she wanna play games  
with the (Super Smash Bros.) but none of 'em you  
I miss the sex when you kiss whenever you through  
Sixty-nine is the only dinner for two  
I was wrong, but would you have listened to you?  
Uh, you were crazy  
I got a heart, but the artichoke  
is only thing girls want when you in that smokin light
