

## I. The Worst Guys

Childish Gambino

All she needed was some... (16x)

At a Clippers' game on the court-side  
Watch a nigga' shoot like a .4-5  
They mad at me, too, I got more fire  
When these bitches see you "go home, Roger" (Go home, Roger)  
Tia and Tamara in my bed, I'm a smart guy  
I ain't fucking with you niggas like apartheid  
Hits on my list, check my archive  
I'm something so immaculate  
Instead of asking what's happenin' and rather blastin'  
Jackson 5 in the back of an Acura, acting blacker  
Than a Bernie Mac, two Charlie Murphys and Akon  
The girls that you brought man, where are they from?  
Where are they from? We were playin' Playstation  
Why you standin' there, say som', girl say som'  
No, this ain't a vacation, this is my house, my house

Bought a new bath, 8K, nigga  
Wanna take shots? AK, nigga  
When I ball, I'm-a ball King James, nigga  
Uncle Ben in my hand, make change, nigga  
And I'm out of this world like Tang, nigga  
That's a space bar, man, I hate y'all  
You only come around when you want to play pool in my hot tub  
Ice cream paint job in the garage  
I had a menage, and murdered the vag'  
But, afterwards, it was awkward as fuck  
Cause I'm nervous as fuck and could not get it up  
I-I-I-I-I need a minute, cold water to the face  
I-I-I couldn't finish, got the uber from her place  
On my porch smoking vapor, hit with the Sunday paper  
Listening to the neighbors...

Oh my god, oh my god, oh my god  
Our neighbors  
All alone, no no no no
