

# My Hoodie

Childish Gambino

My names Bambino, I'm always in trouble  
I do stupid shit on a dare like double  
Thinking your games tight, I'm gonna bust your bubble  
I shop at Gucci and Barneys like rubble  
Scope like Hubble, quick like tunnel  
I leave MC's in the dark light tunnel  
Men do huddles, girlfriends cuddle  
Eh heh, alright

My hoodie on glow  
My hoodie on glow  
My hoodie on glow  
My hoodie on glow  
My hoddie, my my my hoodie on glow  
My hoddie, my my my hoodie on glow

My hoodie is so dope, my hoodie is so tight  
My hoodie is in school cause my hoodie is so bright  
Welcome my nigga to the color crayola  
Got the bright purple, like a grape soda  
Nigga I told you, my hoodie no joker  
Walk up in the hoodie to a party like toga  
Breathe like yoga, Get off my scrotum  
The color of my hoodie like a Lisa Frank folder  
I'm at the kid robot, my wallet done sho nuf  
They had five hoodies but this shit done sold out  
Spent too much, I know a bad habit  
My hoodie looks like a shit from a tricks rabbit

My hoodie on glow  
My hoodie on glow  
My hoodie on glow  
My hoodie on glow  
My hoddie, my my my hoodie on glow  
My hoddie, my my my hoodie on glow

Ya'll know I'm a hoodie all pro  
Find me in my hoodie like a hoodie waldo  
Rocking Amadeus like a hoodie falco  
Staying self absorbed like I'm Frida Kahlo  
From the playground, with the sports team on it  
To the old folks home, put some morphine on it  
I rock my hoodie whether it's rain or shine  
Over-priced, in a Sam Goody frame of mind  
Got a pouch in the front that holds my CDs  
And warms my hands when it's too breezy  
Believe me, the quickest way to get hurt  
Is if I catch you calling it a hooded sweatshirt
