

And now that's it's over, I'll never be sober  
I couldn't believe, but now I'm so high  
And now that's it's over, I'll never be sober  
I couldn't believe, but now I'm so high  
Now I'm so high  
Now I'm so high  
Now I'm so high

Girl, what's your problem  
Cause I know it's hard sometimes, baby just give it some time  
Oh honey now girl, we can solve them  
If you just give me some time I can open up your mind  
If you le-le-let it shine, you can free-ee-ee your mind  
Cause I know

Girl, if it's done right  
Well you know it's got to be, something wonderful to me  
Oh honey now girl, give it one night  
If you just give it a chance, loving you is not my plan  
Cause I know one day you'll see  
All the things that we can be

And now that's it's over, I'll never be sober  
(I want to be the only one)  
I couldn't believe, but now I'm so high  
And now that's it's over, I'll never be sober  
I couldn't believe, but now I'm so high  
But now I'm so

And now that's it's over, I'll never be sober  
I couldn't believe, but now I'm so high  
Now I'm so high  
Now I'm so high  
Now I'm so high
