

Sober

Childish Gambino

And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
Now I'm so high
Now I'm so high
Now I'm so high

Girl, what's your problem
Cause I know it's hard sometimes, baby just give it some time
Oh honey now girl, we can solve them
If you just give me some time I can open up your mind
If you le-le-let it shine, you can free-ee-ee your mind
Cause I know

Girl, if it's done right
Well you know it's got to be, something wonderful to me
Oh honey now girl, give it one night
If you just give it a chance, loving you is not my plan
Cause I know one day you'll see
All the things that we can be

And now that's it's over, I'll never be sober
(I want to be the only one)
I couldn't believe, but now I'm so high
And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
But now I'm so

And now that's it's over, I'll never be sober
I couldn't believe, but now I'm so high
Now I'm so high
Now I'm so high
Now I'm so high
