

Chosen Armies

Children Collide

Sound is time until I find a place where I can touch
The frozen ground
Sound is time until I find a place where I can touch
The frozen ground

And we waited
And we waited
And we waited
And we waited
And we waited
And we waited
And we waited

Lining up like armies marching into brainwashed
Colourless despair
Lining up like armies marching into brainwashed
Colourless despair

And we waited
And we waited
And we waited
And we waited
And we waited
And we waited
And we waited

Sound is time until I find a place where I can touch
The frozen ground
Sound is time until I find a place where I can touch
The frozen ground

And we waited
And we waited
And we waited
And we waited
And we waited
And we waited
