

Economy

Children Collide

I boom and bust
I boom and bust
I boom and bust
I boom and bust

I'm just like the economy
I'm just like the economy
I'm just like the economy
I'm just like the economy

I won and I lost
I won and I lost
I won and I lost
I won and I lost

I'm just like humanity
I'm just like humanity
I'm just like humanity
I'm just like humanity

Go stop
Go stop
Go stop
Go stop

I'm just like a traffic light
I'm just like a traffic light
I'm just like a traffic light
I'm just like a traffic light
