There goes the siren that warns of the air raid Then comes the sound of the guns sending flak Out for the scramble we've got to get airborne Got to get up for the coming attack

Jump in the cockpit and start up the engines Remove all the wheel blocks there's no time to waste Gathering speed as we head down the runway Gotta get airborne before it's too late

Running, scrambling, flying
Rolling, turning, diving, going in again
Running, scrambling, flying
Roll, turn, diving

Run, live to fly, fly to live, do or die
(Wont you?)
Run, live to fly, fly to live
Aces high

Move in to fire at the mainstream of bombers Let off a sharp burst and then turn away Roll over, spin round and come in behind them Move to their blindsides and firing again

Bandits at 8 O'clock move in behind us Ten ME-109's out of the sun Ascending and turning our spitfires to face them Heading straight for them I press down my guns

Running, scrambling, flying
Rolling, turning, diving, going in again
Running, scrambling, flying
Roll, turn, diving

Run, live to fly, fly to live, do or die
(Wont you?)
Run, live to fly, fly to live
Aces high
