

## Next in Line

## Children of Bodom

Well let me tell you why  
Or did you tell your swine  
Another Day goes by  
So why do you see me swept in blood

So lets just fight  
Wait for the dawn  
Something sweeps by in pride  
Erasing another life

I am the chosen next in line  
Sent to slaughter all mankind  
Reap the soul born to die  
No reason for you to fight

YOOUUUUUU!!!!!!!!!!!!!!!

My chance is fine  
I can't stop screaming for  
Fuck them!  
We've been obliged to sign  
And relieved of our life

I am the chosen next in line  
Sent to slaughter all mankind  
Reap the soul born to die  
No reason for you to fight

I am the chosen next in line  
Sent to slaughter all mankind  
Reap the soul born to die  
No reason for you to fight
