

## Gettin' Better

Chilliwick

And there you were with someone that I had never seen  
I had to swallow hard and stop the urge to scream  
And I can say I got through okay  
I think I'm gettin' better  
I think I'm gettin' better  
All the time, all the time  
I guess, you found out just how jealous I could be  
I would have wrapped you up and kept you all for me  
But now I've changed, do you think I'm strange?  
I think I'm gettin' better  
I think I'm gettin' better  
All the time, all the time  
I think I'm gettin' better  
I think I'm gettin' better  
All the time, all the time  
Oh, oh, oh, ooh  
Oh, oh, oh, ooh  
Ooh, woo, woo  
Ooh, woo, woo  
Ba, ba, ba, ba, ba, ba, better  
So If you feel you need more space go get free  
And If you change it all around fine by me  
I'm not concerned, I'm glad I learned  
I think I'm gettin' better  
I think I'm gettin' better  
All the time, all the time  
I think I'm gettin' better  
I think I'm gettin' better  
All the time, all the time  
All the time, all the time
