Black Heart

Black heart dead soul Apathy and misery Loss of control Any of the above would describe me I hate being inhuman All I do is fuck everything up Someone please just put a gun to my head

I just don't care anymore I'm broken, tired and sore I just don't care anymore From my black heart

Faceless humans Just want to get inside of me Shut down long ago Not even the closest know me Like a leper everything I touch Rots, dies then turns to dust Everyone should just stay away from me

I just don't care anymore I'm broken, tired and sore I just don't care anymore From my black heart
