

# Calling All The Monsters

China Anne McClain

Callin' all the monsters, callin' all the monsters  
Callin' all the, callin' all the, callin' all the monsters

Oh yea aye, oh yea aye, oh yea aye

Heart thumps and you jump  
Comin' down with goosebumps!  
You dared to go there  
I'ma I'ma get you so scared!

We're wantin' to  
We're hauntin' you  
We're wantin' to  
Eh eh

If you stayed in too late  
To be getting afraid  
This scene's extreme...  
I I I I'ma get you so scared!

We're wantin' to  
We're hauntin' you  
We're wantin' to  
Eh eh

Gonna get your body shakin'  
Wishin' you could just awaken

Here we go...  
Tonight all the monsters gonna dance  
We're comin' to get ya!  
Tonight all the monsters gonna dance  
We're comin' to get ya!  
If you're only dreaming  
Why I hear you screaming?  
Tonight all the monsters gonna dance  
We're comin' to get ya!  
We're comin' to get ya!

Callin' all the monsters, callin' all the monsters  
Callin' all the, callin' all the, callin' all the monsters

You hide or you try...  
Kiss tomorrow goodbye!  
We thrill to your chill...  
B-B-B-Buckin' for a freak-out!

We're wantin' to  
We're hauntin' you  
We're wantin' to  
Eh eh

We might just bite underneath the moonlight  
More fun if you run!  
I-I-I-I'm I'm already chasin'

We're wantin' to

We're hauntin' you  
We're wantin' to  
Ehh ehh

Gonna get your body shakin'  
Wishin' you could just awaken

Here we go...  
Tonight all the monsters gonna dance  
We're comin' to get ya!  
Tonight all the monsters gonna dance  
We're comin' to get ya!  
If you're only dreaming  
Why I hear you screaming?  
Tonight all the monsters gonna dance  
We're comin' to get ya!  
We're comin' to get ya!

Callin' all the monsters, callin' all the monsters  
Callin' all the, callin' all the, callin' all the monsters!

Gonna paint it red, get inside your head, head, head  
Like a demon choir playing with fire, fire, fire

Gonna get your body shakin'  
Wishin' you could just awaken

Tonight all the monsters gonna dance  
We're comin' to get ya!  
Tonight all the monsters gonna dance  
We're comin' to get ya!  
If you're only dreaming  
Why I hear you screaming?  
Tonight all the monsters gonna dance  
We're comin' to get ya!  
We're comin' to get ya!

Oh yea aye, oh yea aye, oh yea aye

We're comin' to get you!
