

Dancing by myself

China Anne McClain

So you didn't show up,
But my heart didn't blow up,
I ain't gonna loose it all tonight
No I'm not gonna fight it,
Totally excited,
Just to be here underneath the lights

See my heart is going Bum-bum-ditty-ditty-bum-bum,
Like the city never sleeps,
And my head is going Bum-bum-ditty-ditty-bum-bum,
Turn it up and blast and blast the beat!

Dancing by myself!
I don't need no help!
Wishing you were here, to see me
Dancing by myself!
Got nobody else!
But I don't really care, believe me

Just get
Du-du-du-du-du Dancing,
Du-du-du-du-du Dancing,
Du-du-du-du-du Dancing,
By myself!

Du-du-du-du-du Dancing,
Du-du-du-du-du Dancing,
Du-du-du-du-du Dancing,
