

Stars Aligning

China Anne McClain

They're telling me
Get back on ground
Forget my dreams
Just let them drown

But deep inside
A voice is telling me
You're wrong

I wanna know
That anything
Is possible
If I believe

I'm ready for
Whatever future holds for me

Can't be afraid anymore
I'm getting ready to fly
Wish they could all see me now
Cause I am

Breaking all the boundaries tonight
I can see the stars aligning
Finally I'm free to live my life
I'm gonna keep on keep on shining

What do you gotta be
I'm gonna follow my dreams
Now there is no doubt about it

I am breaking all the boundaries tonight
I can see the stars aligning
