Black Man Ray

Are we believing Black man ray Are we not happy In our own way And we the people Who reason why Forever change As time goes by

Yes, yes, I could be wrong Why, why, should I pretend God only knows in the end

Are we believing The heavenly survive Faith the future Big life on their side And we the people Who can but try Forever learn As time goes by

Yes, yes, I could be wrong Why, why, should I pretend God only knows in the end

Are we believing Black man ray Persuasive danger In everything you say And we the people Who answer you why Forever doubt As time goes by **China Crisis**
