The Boys Are Back In Town

Chinchilla

Guess who just got back today?
Them wild-eyed boys that had been away
Haven't changed, haven't much to say
But man, I still think them cats are crazy

They were asking if you were around How you was, where you could be found Told them you were living downtown Driving all the old men crazy

The boys are back in town The boys are back in town I said
The boys are back in town The boys are back in town

You know that chick that used to dance a lot Every night she'd be on the floor shaking what she'd got Man when I tell you she was cool, she was red hot I mean she was steaming

And that time over at Johnny's place Well this chick got up and she slapped Johnny's face Man we just fell about the place If that chick don't want to know, forget her

The boys are back in town The boys are back in town I said
The boys are back in town The boys are back in town

Spread the word around Guess who's back in town

You spread the word around

Friday night they'll be dressed to kill Down at Dino's bar and grill The drink will flow and blood will spill And if the boys want to fight, you'd better let them

That jukebox in the corner blasting out my favorite song The nights are getting warmer, it won't be long Won't be long till summer comes

Now that the boys are here again

The boys are back in town The boys are back in town

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
Spread the word around
The boys are back in town
The boys are back in town
The boy's are back, the boys are back

The boy's are back in town again Been hangin' down at Dino's The boy's are back in town again
