I'm on top of my game
Droppin' the flame
My name, got me dodgin' the fame
Watchin' the dames, surround us, when we poppin' champagne
Coppin' the range, plus them got it dropped on them thangs
Flossin's a shame, i'm countin' thousands, doin' some poutin'
Then I'm throwin I-owa, back-stage, girls are shoutin'
Haters hate, but it alright, if its a race then we won
Took some yearrs, to get herre, now Mama, look atcha' son
Blastin' em witout a gun, just a mic and some beat
No mo' eatin' where its cheap, ad-just-in' to fine meat
