My high hat connected to the snur drum and my snur drum connected to the kick drum and my kick drum connected to the beat drum and my beat drum connected to the bass

Imma see you when i see you when im riden through the hood and if i dont say nothin homie know its all good cause my speaker steady bumpin and my trunk beat thumpin got a pocket full of dough and your whole block jumpin

(2x)

i need my high hat
i need my kick drum
i need my ten stacks
now mumma get some
i make ur body rock
into the bass drum
them 808's not
in with the snur drum
