

# Love is a Cat from Hell

Chiodos

I see the way that you act.  
I'm not impressed by any of your lies.  
I see the way you pretend to be so collect.  
You're out of your mind.

And you fell over the words that you dropped on the  
ground (dropped on the ground, oh, no)  
You're not fooling anybody (you're not fooling anybody)  
And I'm not fooling around.  
What goes around comes back around.  
It's coming around for you.  
So what made you think I wouldn't eventually come out  
of my skull?

Above you I hold your secrets.  
They're hanging right above your head.  
And you can bet that they'll believe it.  
And I believe that you're blackmailed and defeated.

So what good are your words anyway?  
They're just a series of acting and plays.  
What good are your words anyway?

Somber, dim lights.  
Somber, dim lights.

Your facade, it's not true.  
It's not you, what a shame...  
The way you are is why you feel  
The way you do. oh your fallacies.

I see (yeah)  
The way that you act (you act)  
I'm not impressed (no)  
By any of your lies (you don't think I see)  
I see the way you pretend (uh, huh)  
To be so collect (you are)  
You're out of your mind  
Out of your mind

And you fell over the words that you dropped on the  
ground (dropped on the ground, oh, no)  
You're not fooling anybody (you're not fooling anybody)  
And I'm not fooling around.  
What goes around comes back around.  
It's coming around for you.  
So what made you think I wouldn't eventually come out  
of my skull?

Your destiny  
Above all I hold the secrets.  
They're hanging right above your head baby.  
You are defeated (this time it's coming back around)  
You are defeated  
(Blackmailed and defeated)

Somber, dim lights.

Somber, dim lights.

Above you I hold your secrets.

They're hanging right above your head.

And you can bet that they'll believe it.

I believe that you are blackmailed and defeated.
