

## Ravishing Matt Ruth

Chiodos

This melody never seemed quite right  
Nothing you could ever sing along to  
Eerie rhythms creeping through doors

If I close my eyes  
Count to ten you will never see me  
You won't ever see me  
You won't ever see me

Hide in sanction  
I'll show you how I bury myself tonight  
This fear runs through my veins

Run run as fast as you can  
Never look behind and never turn around  
Run run till I find who I am  
Never look behind and never turn around

Run run as fast as you can  
Never look behind and never turn around  
Run till I find who I am  
Never look behind and never turn around

As I fall face down  
I was young and now I still remember, still remember  
Everything and all the pain you caused  
But now I can't resist these evil thoughts  
I still remember  
I still remember everything  
All the pain you caused  
I'm living in this misery resisting evil thoughts  
I still remember everything  
All the pain you caused  
I'm living in this misery resisting evil thoughts

This is what's been haunting me  
Beaten tossed around blatantly  
I scream out loud  
I scream out loud  
I can't scream any louder
