

## Check Please

Chip tha Ripper

I just  
I just want to be, Fly.  
And pay no mind to these niggas comin' up to me askin' me about mine.  
That's why, I keep the louis frames on my nose  
And, I, keep that polo man on my clothes.  
If I was dead and they recollected  
Why he don't rock a necklace but fresher than you expected  
Damn, why is you askin' him all these questions?  
Can't he chill for a second?  
Naw, he'll get your message, on myspace.  
Get your little jimmy neutron head ass out of my face  
Unless you got cake  
And you tryna put it in my H-  
A- N- D  
If not, gimme dap, say hey, then leave  
Or neither one of them options  
I'm from where you say hello, the just look at you, keep walkin'  
Somebody call for my valet parkin'  
Gave the waitress a tip, I said stay out of the dark in  
Cleveland.

Hold on, you did what?  
Gave the waitress a tip, I said stay out of the dark in cleveland.  
Hold on, you did what?

Gave the waitress a tip, I said stay out of the dark in cleveland.  
2 gun clips, 216

A nigga be fresh  
Ahead of the rest  
But nevertheless  
I'm dealin' with stress

Cause niggas is phony  
Fuck' a new homie  
Rather be lonely  
Niggas can't slow me  
Down

Or stop me  
Me and my posse  
Keepin' it humble  
We never stumble

I'm from the jungle  
No they don't jump you  
They'd rather kill you  
Nah we don't feel you

Fuck an emotion, niggas is broke  
With nothin' to lose except they freedom  
Takin' they chances  
Lookin' for answers  
Look in they pockets, yeah, we gon need em  
90 percent of these rappers is whack and out here in Cleveland we don't believe em.

Bein' real is like a talent, most don't have, they never had it  
We been had it, reefer addicts  
SLAB E.N.T, where dreams can happen

DAMN

Daydreamin' this whole verse  
Sittin' here at this restaurant  
Now I'm full, waiter comes up and asks  
"Is anything else you want"

Just respect, just the check,  
Please  
Now we leavin'  
Gave the waiter a tip  
I wrote stay out of the dark in Cleveland  
Hold on, you did what?

Gave the waitress a tip, I said stay out of the dark in Cleveland.  
Hold on, you did what?  
Gave the waitress a tip, I said stay out of the dark in Cleveland.
