Team UK we on a mad ting
American girls they love my accent
Road man, rate me, affiliated for money
Yardie girls love me, affiliated with gully
Hot topic, I'm the one they wanna talk on
A thin line between love and hate is what I walk on
And every song I ever dropped was a right move
From the underground but came from the right too
You tryna blow your way over air (over air)
I'm putting power moves for the year
Type of idiot to hate before you hear
But even if you hating, it's nothing I got your ears

I'm always pushing myself to the limit making sure I stay ahead you made me who I am, from the words you said

Some people have to learn some people wait their turn some people but not me I was born a champion

some people have to fight some people give their lives some people don't believe I was born a champion but I was born a champion but I was born a champion

This gon be the realest shit I ever wrote
Off the record, no camera's, forget a quote
Some of my family doing good, most doing dope
I from Virginia where they hang niggas by a rope
I used to see my momma getting beat down!
Is that the real definition of me now?
I fell off, back on my feet now
Headed to the sky, can't even see down
Award shows, I poured my heart out
And people still steady trynna point my flaws out
And I'd be lying if I said it ain't get to me
But I'm a champion, legend, history

Cole World
Young Simba, story of my life
How to shine, put glory over ice
Rules made to be broken like an Oreo in life
Uni-bomber, they thought I blew up over night (bomb)
UPS plus it down
While you BS, fuck around
I took a dollar to the city of the dreams
Called up my homiez than I put them on my team
And so we paid
And now we out in London, Oh behave
Cold World if you wonderin', snowy days
I made it through with no heaters, fuck the leaders
When we starving they won't feed us
We don't need em'

Imagine you was the one, that couldn't get a look in couldn't get a booking couldn't get a push in when you needed a shove or your buttons they be pushing so now they tryna shush him it's only you believing in you they turn you into a bastard than moment you rude attitude a little out of tune but thats how champions move yeah so go and get it in sunny not everybody gets a second chance at getting money or even getting lucky so you gotta feel the hunger in your tummy
