Until You Were Gone

Chipmunk

Oh whoa oh oh oh oh oh oh oh Oh whoa oh oh oh oh oh oh oh (C.M) Oh whoa oh oh oh oh oh oh Oh whoa oh oh oh oh oh oh Check

If I had all the money in the world I still couldn't buy me a brand new girl (Alright love?), Too much clubbing, not enough loving Too much shopping, too busy chasing this thriller Who's now took a lost on your winner Sitting there singing this song like You never know what you've got 'til it's gone like

Damn, I wish I would've seen it coming Cause I blink for a second and you caught me slipping, Oh, Oh, Oh Now we're done before we even started Didn't know how much I missed you (Didn't know how much I would miss you I messed up the perfect picture) Until You Were Gone, gone, gone Until You Were Gone, gone, gone Until You Were Gone, gone, gone I didn't know how much I missed you Oh whoa oh oh oh oh oh

Let me go, Yeah

And look still I'm here She left me with no idea I just don't get it, it's kinda weird How you took off quicker than my career. it's kinda left It took a wrong man to admit he's wrong Still can't do it, I just put it in a song So don't correct me, I know that I'm wrong (I just need love) I'm too stuck in my ways, And I know this ain't helping me change And I'm sitting here singing this song like You never know what you've got 'til it's gone like

Damn, I wish I would've seen it coming Cause I blink for a second and you caught me slipping, Oh, Oh, Oh Now we're done before we even started Didn't know how much I missed you (Didn't know how much I would miss you I messed up the perfect picture) Until You Were Gone, gone, gone Until You Were Gone, gone, gone I didn't know how much I missed you Oh whoa oh oh oh oh oh oh

Let me go, Yeah

I'm too stressed and I'm trying not to flip I close my eyes and you're beside my lips So I try not to blink for one split sec Cus she bought in, and got my piece wrecked Since you left, nothing ain't right Two different ways, we have to part sides It's a long sighting, y'know, It ain't the same when you went missing Didn't know how much I missed you until you were gone, gone, gone

until you were gone, gone, gone until you were gone, gone, gone until you were gone, gone, gone

I didn't know how much I missed you (Didn't know how much I would miss you I messed up the perfect picture)

Damn, I wish I would've seen it coming Cause I blink for a second and you caught me slipping, Oh, Oh, Oh Now we're done before we even started I didn't know how much I missed you

Until You Were Gone, gone, gone Until You Were Gone, gone, gone Until You Were Gone, gone, gone
