Well, every date I've been on, I've been sitting in your seat Well, I don't know many people been as good to me as you You've been good to me, good to me, rolling in my 323 You've been good to me, good to me, rolling in my 323 It's Friday night and I can't wait

Mom don't care if we get home late
'Cause you've been good to me, good to me, rolling in my 323 You've been good to me, good to me, rolling in my 323 'Cause you've been good to me, good to me, rolling in my 323 You've been good to me, good to me, rolling in my 323 Never don't stop big Japanese heart, yeah
If you ever do I can always get parts, yeah
'Cause you've been good to me, good to me, rolling in my 323 You've been good to me, good to me, rolling in my 323 You've been good to me, good to me, rolling in my 323
