Chixdiggit!

My big brother said if I weren't so skinny  
I'd be off the couch and my phone would start ringing  
Hey when you're  
Stacked like that  
Stacked like that  
Stacked like that

Hey when you're  
Stacked like that  
Stacked like that  
Stacked like that  
Stacked like that  
You know you can't go wrong  
When you're stacked like that  
You know you can't go wrong
