

# Yesterday Man

Chris Andrews

I'm her yesterday man  
Well my friends, that's what I am  
I'm her yesterday man  
Well my friends, that's what I am  
That's what I am  
Her yesterday man.

That is the look of love she had last night.

Please tell me something  
Have you met an angel?  
Someone too lovely to live on earth  
Well, yesterday I thought I met an angel  
But she wasn't worth all she seemed to be worth  
And oh, what a fool I have been  
I was sure taken in .

Now, I'm her yesterday man  
Well my friends, that's what I am  
I'm her yesterday man  
Well my friends, that's what I am  
That's what I am  
Her yesterday man.

That is the look of love she had last night.

Get some of the good kind  
And some of the bad kind  
Some of the others are in between  
But all that I can say is she is the worst kind  
Well, I think you know what I mean  
And yet for all that I say  
I'd take her back any day.

Now I'm her yesterday man  
Well my friends, that's what I am  
I'm her yesterday man  
Well my friends, that's what I am  
That's what I am  
Her yesterday man.

That is the look of love she had last night.  
Oh, come a little bit closer baby  
(That is the look of love she had last night)  
Don't give it to me, you're gonna leave me again, believe me  
(That is the look of love she had last night)  
I know that, I know that, I know that, I know that  
(That is the look of love she had last night)  
Babe, I know...
