

# Battle

Chris August

There's a battle between good and evil  
And its raging inside of me  
There's a struggle, it's God and the devil  
It's love against the enemy  
Whoa oh oh no I'm not giving up now  
Whoa oh oh oh

Life's a fight of wrong and right that's tearing me apart  
Oh but what the cross has done  
Yeah the world will try to battle for my heart  
But the war is already won

There's a snake that is hiding in the garden  
There's a beautiful apple tree  
There is struggle on the horizon , but I'm claiming victory  
Whoa oh oh no I'm not giving in now  
Whoa oh oh oh

Life's a fight of wrong and right that's tearing me apart  
Oh but what the cross has done  
Yeah the world will try to battle for my heart  
But the war is already won won won

mmmmmmhmmmm whoaaaaaa  
I'm not giving up now  
Whoa oh oh  
I'm not giving in

Life's a fight of wrong and right that's tearing me apart  
Oh but what the cross has done  
Yeah the world will try to battle for my heart  
But the war is already won  
Won  
Won won...
