

Canyons (Beautiful Noise)

Chris August

Mountains and valleys the ups and the downs I go through
I will rejoice in you Jesus no matter the view
So I'm singing out from the depths of my heart
I'm singing out at the top of my lungs

I'm in love with you
Cause canyons will echo my voice
screaming hallelujah
Oh what a beautiful noise

Glory to God in the highest from down here below
Jesus my savior your name is the sound of my hope
So I'm singing out from the depths of my heart
I'm singing out at the top of my lungs lifting you high

I'm in love with you
Cause canyons will echo my voice
screaming hallelujah
Oh what a beautiful noise

The sound of your name I long to hear
Its music to my ears

I'm in love with you (love with you)
Cause canyons will echo my voice (my voice)
screaming hallehallelujah

I'm in love with you
Cause canyons will echo my voice
screaming hallelujah
Cause canyons will echo my voice
screaming hallelujah
Oh what a beautiful noise
Oh what a beautiful noise
