

# I Believe

Chris August

I don't need a rainbow to know who made the rain  
Don't need the waters parted to know who made the way  
And I don't need a healing to know who is the cure  
Of this I'm sure

[Chorus:]

I believe that there is something more than I can see  
I believe that there is someone holding onto me  
Sometimes I won't feel it, but that don't change a  
thing  
'Cause it's by faith that I believe

If you had some heartache that made you cry a thousand  
tears  
Then let me tell you now I know just how you feel  
And that heavy weight of sorrow that you've carried for  
so long  
Will soon be gone

'Cause I believe that there is something more than I  
can see  
I believe that there is someone holding onto me  
Sometimes I won't feel it, but that don't change a  
thing  
'Cause it's by faith that I believe

You might see a miracle and give praises to the Lord  
Don't let a touch from heaven be the thing you're  
waiting for  
Blessed are those who don't see but still believe, do  
you believe?

I believe that there is something more than I can see  
I believe that the arms of Jesus are holding onto me  
Sometimes I won't feel it, but that don't change a  
thing  
Cause it's by faith that I believe  
I believe, I believe
