

# Restore

Chris August

Nobody's growing old together, we've made it easy just to quit  
Love has become a negative percentage, why do we bother to comm  
it  
We've got a long list of excuses, ways we try to justify  
Well, I propose to you the truth is, marriage does not have to  
die

## CHORUS

I know you're feeling like it's falling apart and it can't go o  
n anymore  
But God is a God who knows how to heal so just give it up to th  
e Lord  
And He will restore

He said with this ring I promise, and with I do she said foreve  
r  
But right now if they're being honest they don't know if they'l  
l stay  
Together  
Let's fast forward to the future after struggling on their own

They finally figured out they needed Jesus in the middle  
Now I'm watching God rebuild their home

## CHORUS

The enemy tries to come and divide  
Trying to get us to give up the fight  
But darkness will always lose out to light  
'Cause we've got the power of Christ on our side

I see you growing old together  
I pray I find a love like yours

So if you're feeling like it's falling apart and it can't go on  
anymore  
God is a God who knows how to heal so just give it up to the Lo  
rd  
And He will restore

Like it was before  
You may have strayed off course  
But He will restore
