

Restore

Chris August

Nobody's growing old together, we've made it easy just to quit
Love has become a negative percentage, why do we bother to comm
it

We've got a long list of excuses, ways we try to justify
Well, I propose to you the truth is, marriage does not have to
die

CHORUS

I know you're feeling like it's falling apart and it can't go o
n anymore

But God is a God who knows how to heal so just give it up to th
e Lord

And He will restore

He said with this ring I promise, and with I do she said foreve
r

But right now if they're being honest they don't know if they'l
l stay

Together

Let's fast forward to the future after struggling on their own

They finally figured out they needed Jesus in the middle

Now I'm watching God rebuild their home

CHORUS

The enemy tries to come and divide

Trying to get us to give up the fight

But darkness will always lose out to light

'Cause we've got the power of Christ on our side

I see you growing old together

I pray I find a love like yours

So if you're feeling like it's falling apart and it can't go on
anymore

God is a God who knows how to heal so just give it up to the Lo
rd

And He will restore

Like it was before

You may have strayed off course

But He will restore
