

Winter Time

Chris August

I'm laying here, waiting for you
Are seasons coming 'round?
The weather's cold, next thing I know
The ice is on the ground

Every year you meet me here
But you never stay

You're like an angel in the snow
I knew you'd come but soon you'll go
You have to leave but believe you'll be
Frozen in my mind and back to life
Come winter time

Night time comes and soon it will go
Hide behind the light
I'll open my eyes and peek outside
The ground is colored white

I hate it when you leave
But I love when you arrive

You're like an angel in the snow
I knew you'd come but soon you'll go
You have to leave but believe you'll be
Frozen in my mind and back to life
Come winter time

And I don't know why
You have to come and go

But when the weather gets warm
And the sun starts to shine
I know it's time to say goodbye
Yeah, whoa, oh

You're like an angel in the snow
I knew you'd come but soon you'll go
You have to leave but believe you'll be
Frozen in my mind and back to life
And back to life, and back to life
Come winter time
