

Confidence

Chris Brown

Yeah, oh
Yeah

Tell me what you feeling
Wanna know what's on your mind
I know we ain't committed
But we do this all the time, oh

Please don't tell nobody 'bout this affair
Baby, go and dirty whine it up, thank you, baby
We might not make it to the room, from right here
I love it when you tell me what to do, like sit right there
Yeah, I need that, Fifty Shades, ooh
Tie your hands properly, I'm loving it

It's your confidence, oh woah
Your confidence, oh woah
Your confidence, oh woah
Confidence (confidence)
It's your confidence
Oh woah, oh woah, oh woah, ooh, ooh
Oh woah, oh woah, oh woah, ooh, ooh
Your confidence

Is this how we're living? I don't know, I can't have you all the time
And girl, I wish you made your decision
Girl, go ahead and make up your mind
Got me all out here fein'

Please don't tell nobody 'bout this affair
Baby, go and dirty wihne it up, thank you, baby
We might not make it to the room, from right here
