

# Do Better

Chris Brown

I don't know why I even try  
'Cause you don't want this no more  
I would rather leave before I hurt you  
And I would have died long ago if I didn't have my faith  
I see you're starting to hate me  
I see it in your face

My home don't feel like home  
Just like my heart, it's empty  
Changed the number on your phone  
So when I call, you ain't gotta listen

And all your girls think that I ain't shit  
And they the same ones lost in the club  
Them bitches is basic  
Now I'm number one that's lost in love  
I can't take it  
I'm on my knees, you're gonna see a grown man cry  
I won't lie

I'm starting to hate me  
A little more and more each day  
I don't know me  
It's like I can't get out of my own way  
And you don't love me  
You don't love me  
If I knew better  
I would do better

Looking at the names on your list and I can't find me  
I'm deep underwater  
Are you gon' let me drown?  
I see you're happy now  
You're the life of the party, acting out  
Ain't seen you in months  
You ain't call me once

And all your boys say that I ain't shit  
And they the same ones lost in the club  
Them niggas is basic  
Yeah, and I'm the one who lost in love  
And I can't take it  
I'm on my knees  
Don't you hate to see me cry?  
I won't lie

I'm starting to hate me  
A little more and more each day  
I don't know me  
It's like I can't get out of my own way  
And you don't love me  
You don't love me (oh)  
If I knew better (yeah)  
I would do better, better

Thinking 'bout you and I  
Thinking 'bout you and I

My heart's beating in slow motio  
Knowing that it's over  
Thoughts got me thinking 'bout suicide  
Baby, this is do or die  
When you told me it's over  
Ain't no point in being sober  
All I wanna do is fade away (fade away)  
I hope that God will forgive me  
'Cause I know you ain't gon' miss me  
Baby girl, I won't try, to say my goodbyes  
You ain't gotta shed a tear for me  
Baby girl, don't cry (oh)

I'm starting to hate me  
A little more and more each day  
I don't know me  
It's like I can't get out of my own way  
And you don't love me (no more)  
You don't love me (no more)  
If I knew better  
I would do better (I would do better, I would do better)

I would do better  
I would do better  
I would do better  
I would do better  
I would do better  
I would do better  
I would do better
