

# Don't Be Gone Too Long

Chris Brown

I dug a single seed into the ground  
I hope it grows, grows  
In a year or two if you're around you'll see a rose, rose  
Pack me up and keep me hidden somewhere that you can find me  
On this train to Paris going nowhere, trouble is behind me

Don't be gone too long (too long)  
Cause you won't be there to love me when you're gone  
Don't be gone too long (too long)  
Tell me who's gonna love me when you're gone

Golden leaves are dancing on the ground  
It's getting cold, cold  
Safe from time, we'll be forever young  
Never old, old  
See upon a fire out in space, zooming up behind me  
All the wonder written on your face  
Was there inside me

Don't be gone too long (too long)  
Cause you won't be there to love me when you're gone  
Don't be gone too long (too long)  
Tell me who's gonna love me when you're gone

Bring it back to me, bring it back to me  
Is it really over?  
Bring it back to me, bring it back to me

Don't be gone too long (too long)  
Cause you won't be there to love me when you're gone  
Don't be gone too long (too long)  
Tell me who's gonna love me when you're gone

Don't be gone too long (too long)  
Cause you won't be there to love me when you're gone  
Don't be gone too long (too long)  
Tell me who's gonna love me when you're gone
