Owww

Ho

Owww

Baby does he do it for ya
When he's finish does he step back and adore ya
I just gotta know
Cause ya time is money and I won't let him waste it
Oh no nooooo

Baby just go with it
Cause when your with me I can't explain it
It's just different
We can take it slow
Or act like your my girl let's skip the physics

He's so replaceable
Your worth the chase your good enough

It's alright I'm not dangerous
When you're mine I'll be generous
You're irreplaceable
Uncollectable
Just like fine china

Favorite
Your my favorite
It's like all the girls around me, don't have faces
And they say it goes,
Life if just a game but I'm not playin

He's so replaceable
Your worth the chase, your good enough

It's alright I'm not dangerous
When you're mine I'll be generous
You're irreplaceable
Uncollectable
Just like fine china

It's alright I'm not dangerous
When you're mine I'll be generous
You're irreplaceable
Uncollectable
Just like fine china

Took me awhile to find your love
Ain't no amount of time in this world
Give me a lot of time and just love me
Daily baby, daily
Are you sure? Are you ready
I know your heart been telling you, you belong to me
But I'm not, no no no

It's alright I'm not dangerous
When you're mine I'll be generous
You're irreplaceable

Uncollectable
Just like fine china
