Wow womp womp womp.....it's what your body sayin'.  
Chris Brown is in the building.

The young boy just turned 16  
And I got 64's and hot bikes that I rock  
Keep 3 or 4 sweeties on my clock,  
But all that swinging in that bikini just make 'em dizzy.  
Slow all the traffic down to a complete stop,  
'cause you speaking that slang that I talk.  
That sassy tempo with that walk,  
Maybe the reason that all this teenies may never see me.

Momma you may be 3 years older but you hot (gimme that)  
You be talking like you like what I got (gimme that)  
I know you like it how I lean in the 'lac,  
You could be in the back saying (gimme, gimme, gimme)  
(2x)

Ma, take a break, let me explain to you,  
What ya body got a young boy ready to do.  
If you take a chance to let me put them things on you,  
I could show you why I make them straight A's in school.  
I'm a HUSTLA! Trust my frame and age.  
Got you thinking that I'm just too young to turn your page.  
I can PICTURE! Us switching lanes in the coupe  
With you on the phone screaming my name.

(CHRIS!)
