

# I'll Go

Chris Brown

There's a star in the palm of my hand and I think it yours  
if You don't want it then I'll understand  
You deserve much more  
When I brought it down from the sky, you almost forgot it  
It was new back when you gave a damn  
What you need, I'll go and get it

But if I don't come back  
Girl, your love was worth it  
That's the one thing I'll know  
And if I don't make it back  
Girl, remember that  
That I said I'd go, baby

Girl your love is so hard  
But it takes me so far  
But I don't care, I'll go  
No  
If I don't make it home  
At least now you know  
Girl for you, I'll go

Got my heart in the palm of your hand  
Now you're good, that's yours  
If you don't want it I won't understand  
Cause I came so far  
When you tossed it  
Took forever to find the place where you lost it  
Now you're gone with my heart out the door  
Home is here girl don't forget it.

But if you don't come back  
Girl this love was worth it  
That's the one thing I know  
If you don't make it back  
Girl remember that  
That I said I'll go for you

Girl your love is so hard  
And it takes me so far  
But I don't care, I'll go  
Nooo  
If I do make it home  
But at least now you know, I'll go
