

Make Love

Chris Brown

Lil Mama What You Doing?
Whats Up-Up-Up
Cause I Aint Gotta Work this weekend Lets Get Up-Up-Up
And I Just Wanna Dance And Play A Lil Bit
And Baby Im The Man And Shawty You The Shit
Think About It We Can Do Something Nasty
While I Got My Energy Up All In The Club
with The Lights Down Low
And I Got You Tipsy And You All Up On Me
Pullin On My Clothes
I Aint Finished My Drink But I Want Some More
Girl Get Your Purse Let Me Grab My Coat
Got My Keys So Now We Can Roll
Back To The Crib

I Wanna Make Love To My Baby
Do It All Day And We Can Do It All Night Long
Im Gonna Make Love To My Baby
Have it Your way
But I Like It With the Lights On
Imma Make Love To My Baby
Girl Get On Top Of Me
You Know Imma Let You Take It Off
Tonight Is Your Night Baby
So Imma Love You Down

All I Think About When She Not Around
If I Get To See Her Im Gonna Take It Down
Pull Your Tights Down Throw em On The Couch
Like...Say put In Your Mouth
Take Your Top Off Aint Nobody Around
Run Around Butt Naked This My House
All These thoughts on My Mind I Gotta Get em Out
Trying But I Cant Figure How
Remember in High School
I Used To Skip Class Just To Sex You
Homeroom Was The Only Place I Could Call You
Now Its Like Everytime I Call Never Get Through
All That Bullshit That We've Been Through
Damn I Miss You
Its Like You Kick A Nigga Out
And Moved Onto The Next One
I Hope Maybe We Can Work It Out
Damn I Be Wishing You Was Here Right Now

I Wanna Make Love To My Baby
Do It All Day And We Can Do It All Night Long
Im Gonna Make Love To My Baby
Have it Your way
But I Like It With the Lights On
Imma Make Love To My Baby
Girl Get On Top Of Me
You Know Imma Let You Take It Off
Tonight Is Your Night Baby
So Im Gonna Love You Down

Kissing On Your Body

Laying On Top Of Me
Uh Uh Uh Uh
From The Bed To The Ground
Imma Go Down
Uh Uh Uh Uh
Doing My Thing
Tell Me When To Stop
GIrl I Wanna See
What You're All About
Sweating Like A Sauna
Put That Dick On Ya
All Night
While I Got My Energy Up
All In The Club
With The Lights Down Low
And I Got You Tippy And You All Up On Me
Pullin On My Clothes
I Aint Finished My Drink But I Want Some More
GIrl Get Your Purse Let Me Grab My Coat
Got My Keys So Now We Can Roll
Back To The Crib

I Wanna Make Love To My Baby
Do It All Day And We Can Do It All Night Long
Imma Make Love To My Baby
Have it Your way
But I Like It With the Lights On
Im Gonna Make Love To My Baby
GIrl Get On Top Of Me
You Know Imma Let You Take It Off
Tonight Is Your Night Baby
So Im Gonna Love You Down
