Reach up in the dresser where them condoms is
Baby, when I get it, I'll never let it go
Gonna take it slow

If you can't take it all, baby say when
Make you come over and over again
And Ima leave it in

When we do it, all night
We can do it, all night
Girl I'mma give it to you, all night
So fly girl

Now there's one of two things that can happen at this time of the hour
So baby after we get out of the shower

Turn off all the lights and light some candles instead

If you can't take it all, baby say when
Make you come over and over again
And Ima leave it in

When we do it, all night
We can do it, all night
Girl I'mma give it to you, all night
So fly girl

Dont you be on that bullshit, all night (3x)
