

# So Cold

Chris Brown

I want my baby back  
It's so cold without her  
Cold without her  
She's gone  
Now I'm alone, no one to hold on  
Cause she was the only one  
And I know I was dead wrong  
But if you youuuu  
If youuu  
See her sooonn  
Ask her will she forgive me

If you ever see her  
If you ever meet her  
If you ever get a chance to sit down, talk to her  
Then tell her it's so cold  
It's so cold, it's so cold  
Here without her  
And tell her I miss her  
Tell her I need her  
Tell her I want her  
I really want her to come back home, back to keep me warm  
Tell her I'm sorry, I'm really sorry  
Can you forgive me?  
Please forgive me  
And come back home, keep me safe and warm

Now my baby's really gone  
I don't know if she's coming home  
My love's up, I fucked up  
I know  
Tell me what to do to get her back  
Back where her heart belongs, been gone from me for way too long

So if youuu, seen my boo  
Please can youuuu  
Can you tell her for me

If you ever see her  
If you ever meet her  
If you ever get a chance to sit down and talk to her  
Then tell her it's so cold  
It's so cold, it's so cold  
Here without her  
And tell her I miss her  
Tell her I need her  
Tell her I want her  
I really want her to come back home, back to keep me warm  
Tell her I'm sorry, I'm really sorry  
Can you forgive me?  
Please forgive me  
And come back home, keep me safe and warm

All them girls across the world  
You know you gotta be my girl  
All them girls across the world  
You know you gotta be my girl

All them girls across the

You know you gotta be my girl  
All them girls across the world  
You know you gotta be my girl  
All them girls across the world  
You know you gotta be my girl

If you ever see her  
If you ever meet her  
If you ever get a chance to sit down and talk to her  
Let her know it's so cold  
It's so cold, it's so cold  
Without her
