

Take My Time

Chris Brown

I just wanna
(Take my time)
As pretty as you are,
Think you're ready?,
Girl I wanna,
(Do you right),
I just wanna give you what you need,
Baby girl,
(Take my time),
Ohh Ohhh
Just do me,
(Do you right)

Girl when you step off,
Wet from out the shower baby,
I want chya to lay down,
just stay naked,
Now Im starin for an hour babe,
Oh,
I got your back up against the wall,
I got strength,
Wont let you fall,
When I make you bloom,
Like a flower babe,
Babe

I just wanna
(Take my time)
As pretty as you are,
Think you're ready,
Girl I wanna,
(Do you right),
I just wanna give you what you need,
Baby girl,
(Take my time),
Ohh
Just do me,
(Do you right)

It aint your fault you ran out of power babe,
Cause Ive been kissin and lickin on you everywhere,
Ohh,
I wanna hear you scream my name,
And girl you know my way,
Baby it's pull away for you babe
Ohh

(Take my time)
[Said I wanna take]
