

This Ain't

Chris Brown

Girl, it just don't feel the same, wish I could go back in time
Seems like every time I say your name, I just wanna press rewind

You said you just want me bad, but I don't think that you ready
, yeah

And I know that you want me to stay

You said if I love you I would, I would, I would, I would

If we look at how we live, it's no good

Babe, it's no good, no good, no good, no good

And you know, you know I'm right

'Cause we're just fucking, baby

This ain't loving, baby

We're just fucking, baby

But this ain't loving, baby

No, you want it

I ain't your man, girl, I'm only your friend

Wish that I could read your mind 'cause I don't know if you telling the truth

You can tell me every lie, tell me how do I believe you?

'Cause once we get to kissing, you gon' have me finished, and I'll feel something's missing

I say I'm cool fucking 'round with you

You said if I loved you I would, I would come back to you

If we look at how we live, it's no good

Babe, it's no good, no good, no good, no good

Girl, you know, you know I'm right

'Cause we're just fucking, baby

This ain't loving, baby

We're just fucking, baby

But this ain't loving, baby

No, you want it

I ain't your man, girl, I'm only your friend
