

To My Bed

Chris Brown

Hol' up

Close the door, I'ma take your clothes off where you are
I turn you on 'cause I love to see you blowin', yeah
I know it's good, I can tell by the way you are, yeah
I pull your clothes 'cause I love to feel you comin' down, yeah (down)

'Cause the mattress is so far away
And my clock is watching, ain't no time to waste (woo, ah)
Since my hands already down your waist
You better show me, that you want it right away 'cause
I'll freak you right, I will
I'll freak you right, I will
I'll stick my tongue
I'll speak that language
Use my foreign skill
My hands all in your hair
Naked before we hit the stairs
Can't even make it there

No we ain't gon' make it to my bed (yeah, yeah, yeah, yeah)
I know we ain't gon' make it to my bed, no (yeah, yeah, yeah)
Know we ain't gon' make it to my bed (yeah, yeah, yeah)
Tear it up when I get wasted (wasted), now that I got you naked
I know we ain't gon' make it to my bed

Yeah, speed inside, lay it down, I'ma eat it up (eat it up)
What's for dessert? Already swervin' on that codeine, yeah
While you drive, girl, get high, I'ma pass the blunt (pass the blunt)
Doin' the most, we on the floor, I might as well go down (ow)

'Cause the mattress is too far away (woah)
And my clock is watching, ain't no time to waste (yeah, yeah)
Since my hands already on your waist
You wanna show me, that you want it right away (yeah)
I'll freak you right, I will
I'll freak you right, I will
I'll stick my tongue
I'll speak that language
Use my foreign skill (yeah)
My hands all in your hair
Naked before we hit the stairs
Can't even make it there (ow)
