

# Wall to Wall

Chris Brown

Pull up, pull up, can't believe the girls, club packed  
What up, what up? Shawty wanna lead me to the back, to the back  
Ain't been in here 15 minutes, got a pocket full of digits  
And she just won't take no

Hold up, hold up, now little mama wanna get bad  
Slow up, slow up, saying she don't wanna share what she have, she have  
Ain't no particular one that's getting the water gun  
So many that I want

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

Another two just came and said they love me on the radio  
Two twins, that's a cool little scenario  
They talking leaving right now  
Wanna put in some time 'cause you know what they're already about

One talking about she like the way that I pop  
And the other one said she wanna just watch  
I'm game for any damn thang, but there's more than 200 dames  
That's ready to go

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

So many look good in here  
I don't even know which one I want  
If I had to choose ya'll know  
I would take all ya'll wit me

Who wanna try me on the floor  
Who ready to come and get this

All I know that I'm feeling this party  
And you can see I'm so with it

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
I'm tryna give one of them all this  
But they keep coming from wall to wall

They packed up in here wall to wall and  
I don't hear nothing but ladies calling  
Yea smash on the radio, bet I penned it
