Zero

Chris Brown

I thought we were great You took your love back and ran us off track I count all the days, 'Til you would come back, how stupid was that?

Now you're missing what we used to have Guess the vodka brought the feeling back I was caught up in the aftermath But now, if you really want to know

Ask how many nights I've been thinking of you, zero, zero Gave a hundred percent but all I got from you, zero, zero I thought you were the one, then you turned and runned Found somebody better, like I never met ya Ask how many nights I've been thinking of you, zero, zero (Zero, zero, zero, zero, zero, zero, zero, zero, zero, zero) That's how many fucks I give

Wake up with a dime Get up to no good better than you could Go out, free our minds Like you never would, never understood

Now you're missing what we used to have You been creepin round my Instagram I was caught up in the aftermath But now, if you really wanna know

Ask how many nights I've been thinking of you, zero, zero Gave a hundred percent but all I got from you, zero, zero I thought you were the one, then you turned around Found somebody better, like I never met ya Ask how many nights I've been thinking of you, zero, zero (Zero, zero, zero, zero, zero, zero, zero, zero, zero, zero, zero) That's how many fucks I give

Broke back then but a nigga rich now Got dollars, got euros, got yen, I got pounds Zeros, zeros Calling me up cause your bank check bounced My new chick one hundred And she got her own dinero, zero You think I'm thinking about your ass?

Ask how many nights I've been thinking of you, zero, zero Gave a hundred percent but all I got from you, zero, zero I thought you were the one, then you turned around Found somebody better, like I never met ya Ask how many nights I've been thinking of you, zero, zero (Zero, zero, z
